The new three-tier system guarantee from OSRAM: Perfection through quality and innovative technology

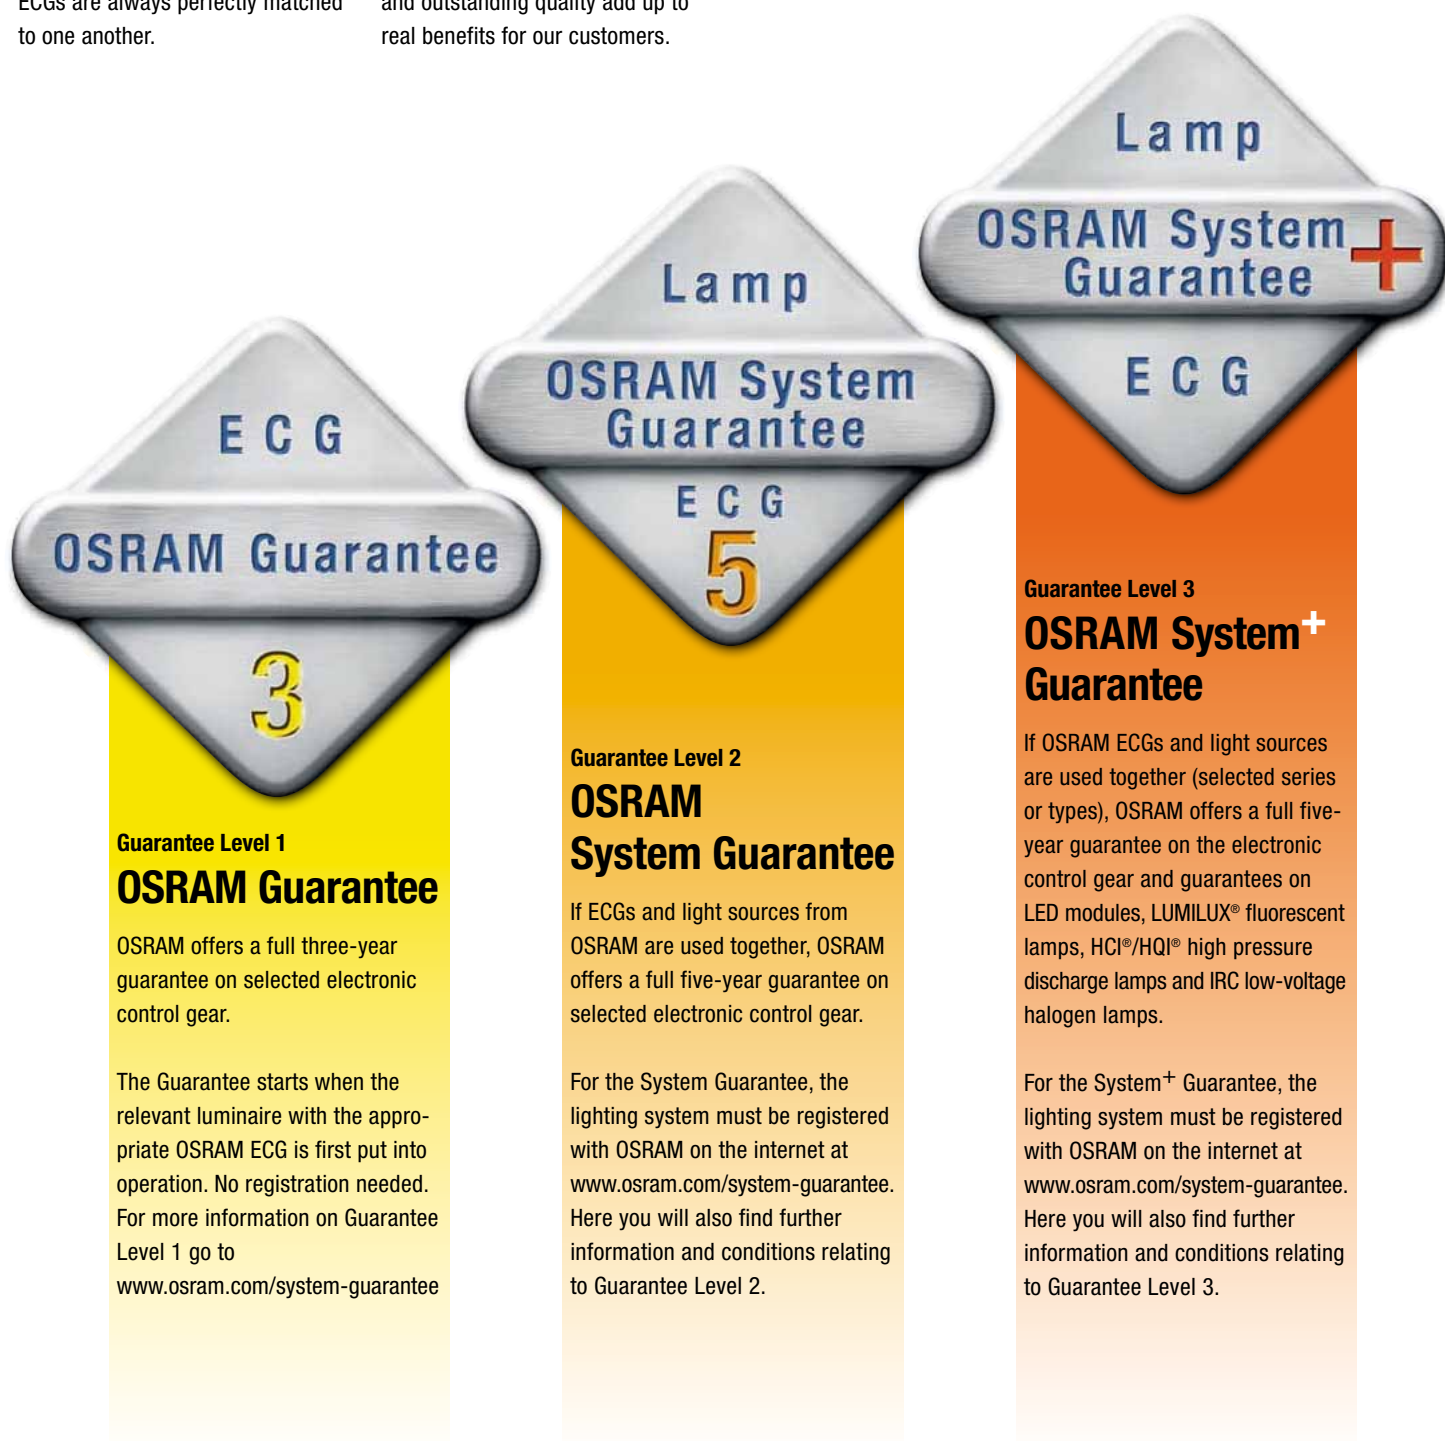

Electronic control gear from OSRAM is noted for its state-of-the-art circuit design and high-quality components. They achieve their optimum functionality when operating as a system in conjunction with innovative lamps from OSRAM because OSRAM lamps and OSRAM ECGs are always perfectly matched to one another.

As one of the two leading lamp and ECG system providers in the world, we have all the necessary know-how under one roof.

Systematic quality assurance ensures first-class workmanship and functionality. Innovative technology and outstanding quality add up to real benefits for our customers.

OSRAM now offers an even more extensive three-tier guarantee for ECG and ECG/lamp systems from OSRAM.

All the details on the relevant products, registration, the guarantee conditions and further combinations for the System⁺ Guarantee from OSRAM (e.g. LEDs with OPTOTRONIC[®]) can be found at www.osram.com/system-guarantee

Guarantee Level 1

OSRAM Guarantee

OSRAM offers a full three-year guarantee on selected electronic control gear.

The Guarantee starts when the relevant luminaire with the appropriate OSRAM ECG is first put into operation. No registration needed. For more information on Guarantee Level 1 go to www.osram.com/system-guarantee

Guarantee Level 2

OSRAM System Guarantee

If ECGs and light sources from OSRAM are used together, OSRAM offers a full five-year guarantee on selected electronic control gear.

For the System Guarantee, the lighting system must be registered with OSRAM on the internet at www.osram.com/system-guarantee. Here you will also find further information and conditions relating to Guarantee Level 2.

Guarantee Level 3

OSRAM System⁺ Guarantee

If OSRAM ECGs and light sources are used together (selected series or types), OSRAM offers a full five-year guarantee on the electronic control gear and guarantees on LED modules, LUMILUX[®] fluorescent lamps, HCI[®]/HQI[®] high pressure discharge lamps and IRC low-voltage halogen lamps.

For the System⁺ Guarantee, the lighting system must be registered with OSRAM on the internet at www.osram.com/system-guarantee. Here you will also find further information and conditions relating to Guarantee Level 3.
